

3rd Grade Speech

It should take about **30 minutes to complete this lesson**

What you will need:

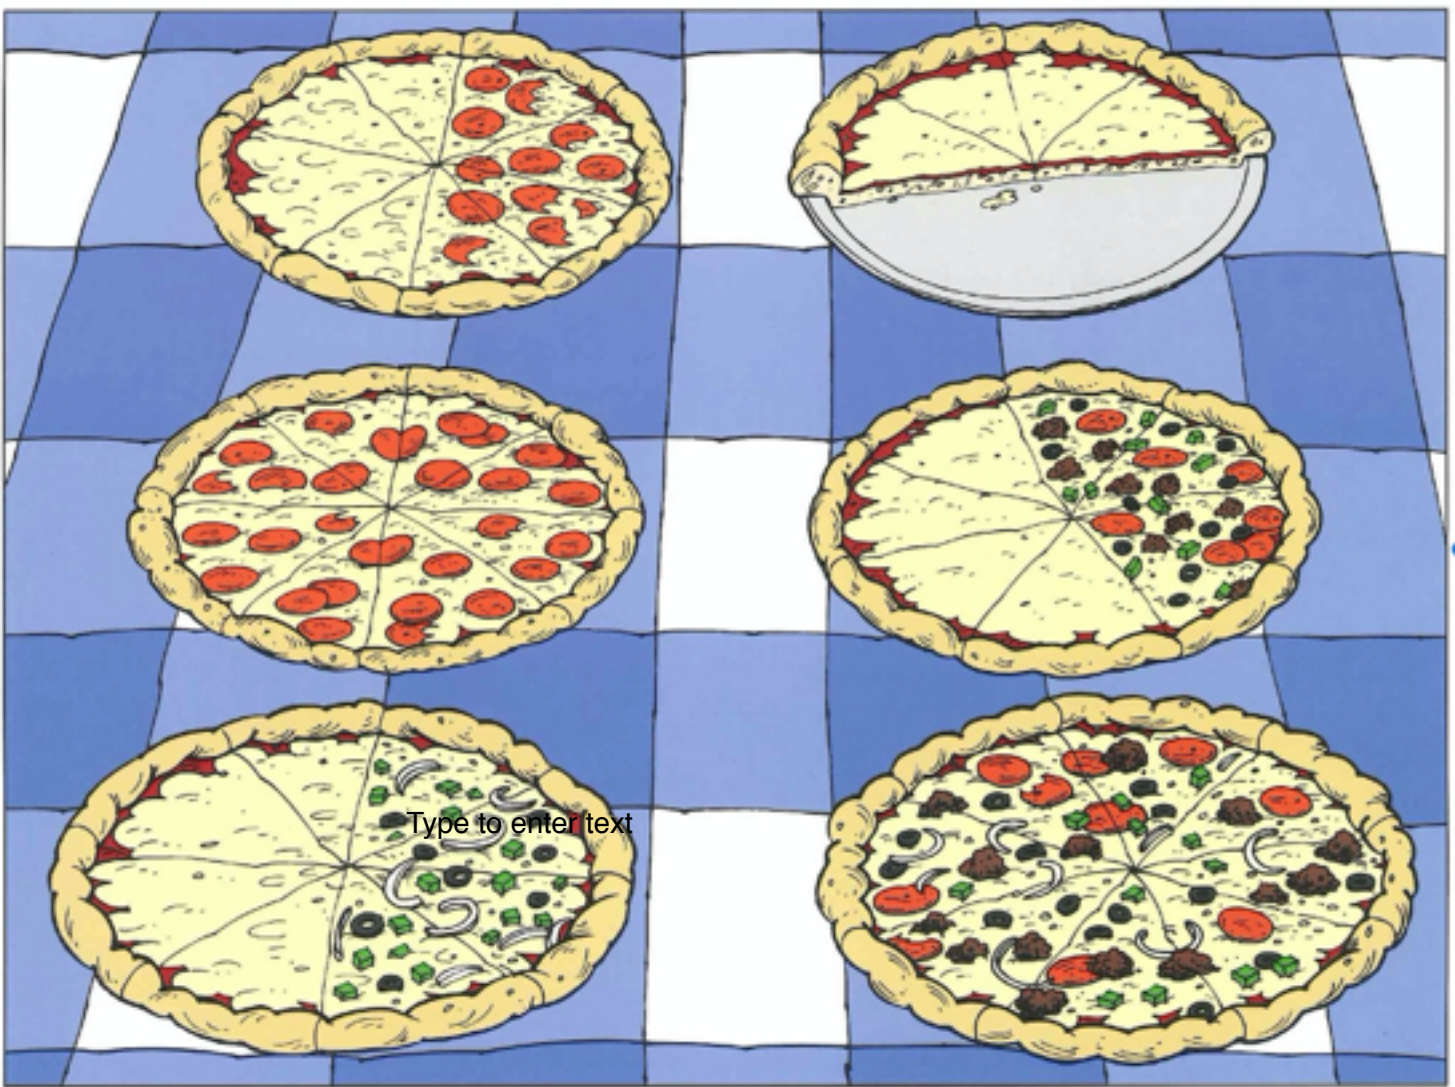

- A book of your choice
- An adult or older sibling
- The picture and questions below

Directions to Students/Supervising Adult:

- Look at the picture below and answer the questions with an adult or older sibling.
- Read a book (or a chapter of a book) of your choice and retell the story to an adult or older sibling.
- If you are working on speech sounds (articulation) or smooth speech, please remember to practice while answering the questions.

Here is how to turn your work in:

- Email me your answers to the question, or record yourself on your iPad answering the questions and save the video

Stimulus Pictures for Group Therapy: Grades 3-5
